

75th Diamond Jubilee

To All Members Attending Our Annual Meeting:

Just like many of our members, we are looking for ways to economize. For that reason, there have been a few changes to the format of this year's Annual Membership Meeting and Luncheon:

- Each member may bring no more than two guests.
- There will be a set menu. Attendees should select a main course in advance using the form on the reverse side.
- There will be a cash bar ONLY for alcoholic beverages.

Please use the registration form on the other side rather than the one included in this quarter's *Shareholder's Edge* newsletter.
